Name \_\_\_\_\_

I am learning about the letter L l.  
This is how I write it:

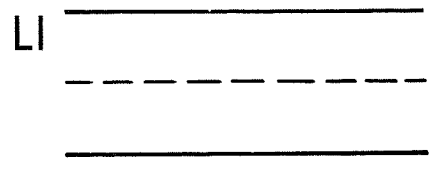

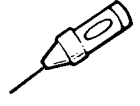

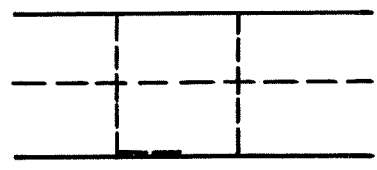

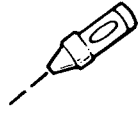

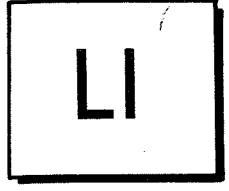

Two sets of handwriting practice lines. Each set consists of a solid top line, a dashed middle line, and a solid bottom line. The first set has a dashed uppercase letter 'L' at the beginning. The second set is blank.

Here are some words that start with the letter L l:

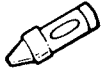

Two columns of handwriting practice lines. Each column has four sets of lines (solid top, dashed middle, solid bottom) for writing words starting with the letter L.

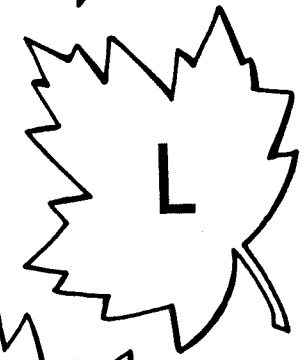

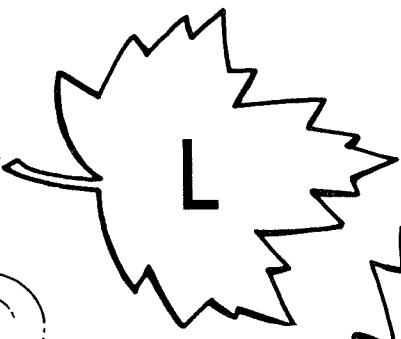

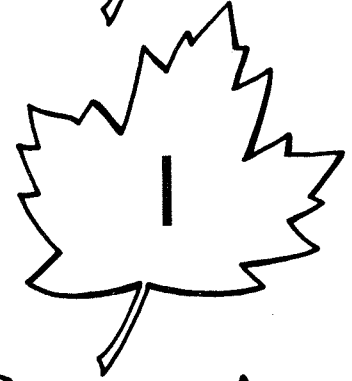

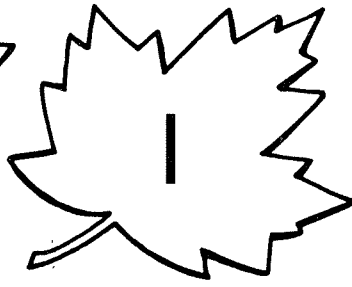

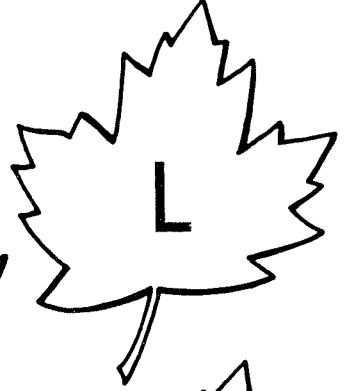

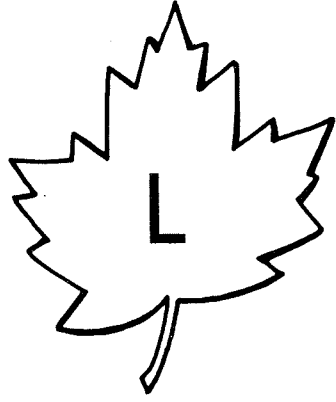

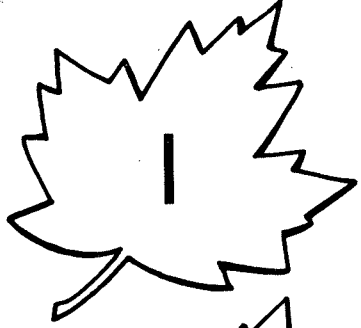

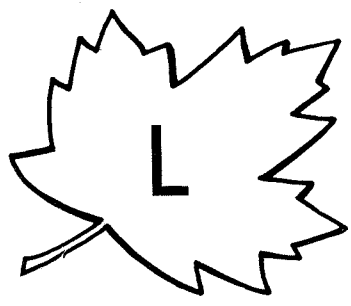

This is my picture of a \_\_\_\_\_.

A large empty rectangular box for drawing a picture of an animal starting with the letter L.

It's fun to rake the correct 's.

 the 's: L - orange I - red
